

ECOLOGICALLY SOUND SOLUTIONS TO PEST PROBLEMS

SNAKE SCRAM™

PROFESSIONAL

Granular ~ Natural

**SPECIALLY FORMULATED • ORGANIC
NON-TOXIC AND ENVIRONMENTALLY SAFE!**

SNAKE REPELLENT

Designed & formulated for professional use:

- Pest Control Operators • Landscapers • Grounds & Greenskeepers
- All Landscape Installation & Maintenance Professionals

DIRECTIONS FOR USE: APPLY 1 LB. PER 600 SQ. FT. Apply by shaking granules in and around the area to be protected. The product should repel snakes immediately. If necessary, reapply as needed until snake activity ceases and no further snakes are observed. Once repelling action has been established, reapply every two weeks. Reapply after heavy rains. May be used in any climate or temperature. **Do not apply directly or indirectly to open water such as ponds, lakes or streams.** Snake Scram™ Professional is effective in deterring & repelling most snakes, including many poisonous species. Avoid contact with or handling of snakes if you are unfamiliar with snake species and their proper handling. While most snakes are harmless, many varieties can strike and bite if surprised or disturbed by human activity. Also, several species in the United States are poisonous & can be harmful if they bite people or pets.

PRECAUTIONARY STATEMENTS Wash skin after use. Avoid contact with eyes or cuts. If in eyes, flush with water 15-20 minutes. Call Poison Center or doctor for treatment. **Storage:** Store in original sealed container. Do not contaminate water, food or feed by storage or disposal. Do not apply directly to water. **Disposal:** Do not reuse empty container. Dispose of properly. Buyer assumes all responsibility for safety & use not in accordance with directions. EPIC represents that this product qualifies for exemption from EPA registration under Section 25(b) of FIFRA and has not been registered by the EPA.

**Net Wt. 22 lbs.
(9.98kg)**
