

Oxadiazon SC

Broad Spectrum Flowable Pre-Emergent Herbicide

QUALI-PRO

Quality Turf & Ornamental Products

Pre-emergent control of annual grasses and broadleaf weeds in turf, conifer nurseries and ornamentals including landscape ornamental beds on residential properties. For sale to and use by professional applicators only. NOT FOR USE ON HOME LAWNS.

- Single, pre-emergence application delivers season-long control of weeds and grasses via shoots of target plants
- Will not inhibit turf root growth or recovery, ideal for springing, no damage to labeled ornamentals
- Stable liquid formulation allows early application, weeks before weeds and grasses germinate
- Excellent choice for established perennial turf and sensitive grasses, and in commercial nurseries and landscapes

Season long control of dozens of broadleaf weeds and grasses, including:

Goosegrass
Annual Bluegrass
Crabgrass
Field Sandbur
Annual Sedge
Pigweed
Oxalis
Stinging Nettle

Formulation	34.4% suspension concentrate
