Infested Mattress

Talk to Cimi-Shield expert Jeff McGovern about how Cimi-Shield can help you become more successful in the bed bug business: jeff@pestbarrier.com.

Cimi-Shield is offered in two versions each with 12-month residual:

- **Knock-Out** for active infestations
- **Protect** to prevent infestations

CIMI-SHIELD®

It works, just ask an expert!

"Cimi-Shield Knock-Out has been incorporated into our comprehensive integrated pest management solutions, offering our customers a non-pesticide residual alternative. It has been especially useful as a complement in our thermal remediation treatments and/or sensitive accounts where medical/health conditions are an issue."

James G. Roe, Pest Control Director
North American Home Services - Termite, Pest Control and Home Inspection, Sacramento, CA

"We've tried most of the bed bug control options out there. After many trials, today we are successfully, and very profitably, avenging these pests thanks to Cimi-Shield."

Adam Eason, Owner
Bug Busters Pest Control Services, Farmville, VA

"Our results have been outstanding. In the instances that we have utilized Cimi-Shield, we have achieved 100% control."

Bob Wagner, President
Wagner Pest Solutions, Phoenix, AZ

"We tried it and got amazing results. Now that we trust it, we are able to sell long-term control for a higher price. Cimi-Shield is a great fit for us and our customers; our profits are up and our call backs are way down."

John Russell, President
Action Termite & Pest Control, Toms River, NJ

"We have used many different products over the years at our facility, but the story was always the same; after a few weeks the biting resumed. With Cimi-Shield we are now more than 3 months in, and our residents simply are not being bitten."

Angela Fonseca, Executive Director
Interim House, Dorchester MA

"The benefit was felt immediately. Prior to the treatment we logged many, many bite complaints ever week. Since the Cimi-Shield application our log book is virtually empty."

Donna Miller, Executive Director
Samoshel Homeless Shelter, Santa Monica, CA

"With Cimi-Shield we get call backs we like - repeat business, not retreat demands. I hope my competitors don't find out about Cimi-Shield."

Bob Lee, Owner/Operator
Enviro Safe Pest Control, Prescott, AZ

"Thank you for introducing me to Cimi-Shield in November 2012. We had just taken over two buildings with a bad case of bed bugs. We went in with Cimi-Shield and I am happy to say these accounts are bed bug and insect-free a year later. What a great tool for our arsenal."

Todd A. Pemberton, President
Bugs Are Gone Exterminating, Brooklyn, NY
