

# Brandt 52 Pickup

## Flowable Charcoal Deactivator

52 PICKUP is a flowable suspension of activated carbon manufactured specifically for agricultural applications. It is widely used in agriculture as a soil amendment to protect and enhance plant and turfgrass growth and vigor.

52 PICKUP effectively ties up organic toxins such as herbicides from soils to provide a safe environment for new or existing root systems. 52 PICKUP can be used to protect plants from herbicide spills or over applications. It can also decontaminate soil to allow replanting where pesticides or herbicides have been applied. The use of 52 PICKUP can ensure better and more even germination to turf areas treated by pre-emergent herbicides when overseeding.

52 PICKUP can be used on hydraulic fluids, some petroleum products, organic pesticides, herbicides and insecticides.

**For Spills:** Apply 32- 64 oz. per 1,000 sq. ft. of contaminated area. If spill is severe, apply full strength and wash into soil and root zone area 4-6 inches deep.

**For Deactivating Turf Herbicides:** Apply 32- 64 oz. of 52 PICKUP in sufficient water for good distribution per 1,000 sq. ft. of turf area. Grass areas should be washed free of heavy charcoal deposits. Areas where herbicidal effect has been terminated may be seeded within 24 hours of application.

*Guaranteed By:*  
Brandt Consolidated, Inc.  
2935 South Koke Mill Road  
Springfield, Illinois 62711 USA

## Principal Functioning Agent

Activated Carbon*	15.0%
Constituents inactive as spray adjuvants	85.0%
<b>Total</b>	<b>100.0%</b>

All ingredients are exempt from the requirements of a tolerance under 40 CFR 180. \*52 PICKUP contains 1.2 lbs of activated carbon per gallon.

**For Sprayer Cleaning/Neutralizing:** After pesticide use, fill spray tank halfway with water, then add 1/2 gallon of 52 PICKUP per 50 gallons of water. Fill the remainder of spray tank with water and circulate through the system for 10 minutes, and then the nozzles for another 10 minutes. Wash tank well with BRANDT NEUTRA CLEAN and rinse thoroughly. Drain system and rinse with clean water until all signs of 52 PICKUP are gone.

## KEEP OUT OF REACH OF CHILDREN CAUTION

Contact with eyes will cause irritation. If product comes in contact with eyes, flush thoroughly with lukewarm water. If irritation or burning sensation persists, consult a physician.

**Warranty:** Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use; but neither this warranty nor any other warranty of merchantability or fitness of a particular product expressed or implied, extends to the use of this product contrary to label conditions, or under conditions not reasonably foreseeable to the seller; and buyer assumes the risk of any such use.

Dispose of container in accordance with local, state and federal regulations.
