### GENERAL DESCRIPTION

AMMEX Heatworks® provide warmth and comfort in any and all cold conditions. Perfect for use by athletes, outdoor enthusiasts, sportsmen, spectators, skiers, construction workers - anyone who hates the cold! Simply open the plastic outer pouch when you are ready to activate a Heatworks® Warmer (DO NOT open inner pouch). Shake the pouch vigorously to activate. Place Heatworks® Warmers in pockets, sleeping bags, boots, gloves, etc. Enjoy up to eight hours of warmth.

**WARNINGS:** Do not use in an oxygen-rich environment. Although all natural, contents may be harmful if swallowed. Do not apply Heatworks® Warmers directly to the skin. Use by the elderly, infants, and others not fully aware of the sensation of heat, should be conducted under supervision only. People with diabetes, frostbite scars, open wounds, or circulatory problems should consult a physician before using Heatworks® Warmers. Do not open inner pouch. If ingredients come in contact with eyes or mouth, flush thoroughly with clean water. If contents are swallowed, contact a poison control center immediately. Keep out of reach of children.
